

# JUNE 22<sup>ND</sup>

# EUREKA FIRE FIELD TOUR

Ryan Bauer, Forest Fuels and Prescribed Fire Program Manager for Plumas National Forest, will lead a tour of the 2017 Eureka Fire - a managed fire that burned 450 acres southwest of Johnsville.

The tour will also feature stops at Forest Service and Soper-Wheeler timberlands with recent and active management.

Discussion will include the role of prescribed and managed fire in forest health, Plumas National Forest's fire management objectives, and necessary steps for fire hazard reduction in surrounding communities.

**9:00am-3:00pm**

Meet at the Plumas National Forest Supervisors office (159 Lawrence St, Quincy).  
RSVP is required to determine the number of vehicles needed for transport.

Bring sun protection, sturdy shoes and water.

**Lunch will be provided for those who RSVP by June 15<sup>th</sup>**

RSVP to Hannah at 530-283-3739 or [plumasfiresafe@plumascorporation.org](mailto:plumasfiresafe@plumascorporation.org)  
Sponsored by the Feather River Stewardship Coalition and Plumas National Forest
